The Founders has an unrivalled view over the Thames. Situated on the river next to Tate Modern at the south side of the Millennium Bridge, this modern, glass-fronted bar has a large patio overlooking St Paul's & the City. Day or night, summer or winter, there is always an amazing atmosphere.

Food is served all day with brunch available until noon daily. Served from mid-day, the main menu has something for everyone including classics such as Young's Beer-battered Fish & Chips & a selection of pasta, salads, burgers & toasted sandwiches. Service is speedy & friendly which makes the Founders ideal for a quick bite at lunch or a pre-theatre dinner before the Globe, just 3 minutes' walk away.

The bar serves the full range of Young's award winning ales with at least 3 cask-conditioned ales & many more in bottles. A superb selection of world-class wines & spirits, Pimm's by the pitcher & a full range of super-cold draught & bottled lager & cider are always available.
